## Message from Parent Club

*New Technology in Classrooms—keeping our kids competitive*

What if a student, who has been out of school due to illness, could view a science lab that took place when they were out? What if a teacher could, at the push of a button, display for a math class a detailed problem that was on the board during class last week? These technologies exist, and thanks to Parent Club members, the math classrooms will be receiving Interactive Whiteboards! Unfortunately, the Parent Club's membership goal is still short by \$20,000.00. Help us meet our goal of extending the technology beyond the math classrooms and **join the Parent Club**. We start our membership at \$25. For any family that donates \$180 (\$1 for every day of school) or more, you receive a Leland logo shopping bag and a logo water bottle. To make it easier, we now accept **PayPal**. For more information, go to the Parent Club website <http://lelandparentclub.com>

---

## Attention Parents!

Parent Club needs parent volunteers to plan this year's Grad Night. The committee currently does not have an existing chair-person or any volunteers to help plan for this memorable event. If volunteers are not found, Grad Night may have to be canceled this year! Please contact Parent Club President, Tom Norton to volunteer at [tom@lelandparentclub.com](mailto:tom@lelandparentclub.com). We are looking specifically for parents of underclassmen to relieve the senior parents during this busy time.

---

## Save the Date: May 7th, 2010

The 2010 "Denim 2 Diamonds" dinner, dance, auction is back! Watch for more details from the Leland Booster Club about this FUNraising event for the Leland Athletic programs.

## Updated Important Information about Community Service Hours

Students are required to complete 40 hours of community service. We recommend that students complete 10 per year. Juniors and Seniors will need to be up-to-date with their Community Service hours to attend their respective formal dances.

Please remember the following for community service requirements:

- Must be done through a NON-PROFIT organization; the organization must have a 501C3 tax ID number to prove their non-profit status
  - "Community Service credit will not be granted for recruitment, membership building or teaching about an organization or its beliefs, philosophy or mission. For example, Community Service credit will be granted for volunteer work performed at a church providing childcare, directing recreational activities, helping to feed or clothe those in need, and providing other community services, but credit *will not* be granted for teaching about religious beliefs or for organizing or participating in religious ceremonies."
  - No more than 8 hours per day may be rewarded
  - Service completed through week-long camps during the school year may only be rewarded 20 hours maximum for the entire week
  - Service must be completed outside of the regular school day
- Please be sure to read the back of the Community Service Time Sheet; available in Miss Kim's office and the school bank.

### T-shirt Design Contest Opportunity

A message from Sacred Heart Community Service:

Seasons' greetings from Sacred Heart Community Service in San Jose. Some of you have long-standing and meaningful relationships with us and some of you aren't too familiar with us. For the latter group; Sacred Heart is a multi-faceted community service center in downtown San Jose. Our vision is a community united to ensure that every child, woman and man is free from poverty. We know we can end poverty in our community. All it'll take is dignity, compassion & respect, and strong community involvement.

[Goodjoe.com](http://www.goodjoe.com) is a socially conscious T-shirt website.

They've teamed up with us to have a T-shirt design contest. The aim is to create a design that best expresses and exemplifies the vision and goal of Sacred Heart. It runs till the Sunday after Thanksgiving and there's a lot at stake- there's scholarships, cash prizes and royalties on sales of the winning design up for grabs! The winning design will be the official T-shirt of SHCS for the next year. If you have a student who'd be interested in participating, please visit the Goodjoe contest site:

## Nancy Edwards

It is with great sadness we inform you that Nancy Edwards, art teacher of Bret Harte and Leland students, passed away in her home last week after a two-year battle with cancer. She spent her final days in the garden, finishing art projects and playing with her grandchildren. She leaves behind her husband, two wonderful boys, Zach and Ryan, three grandchildren, two daughters-in-law and her two Golden Retrievers. Leland students observed a moment of silence in Mrs. Edwards' memory and also wrote personal messages to the Edwards family on a large poster that read, "You'll be in our heARTs."

Please go to <http://www.sjUSD.org/bretharte/> to view a memory book that Bret Harte has created for Mrs. Edwards. If you or your student would like to share a special memory or photo to be put into Mrs. Edwards' memory book on our webpage, please email Mr. Bejarano, Principal of Bret Harte Middle School, at [Dominic\\_Bejarano@sjUSD.org](mailto:Dominic_Bejarano@sjUSD.org).

## Junior College Courses Taken on Leland Campus

In order to streamline and clarify the enrollment and credit process for our students, Leland and our partner junior colleges have started a new process for the 2009-2010 school year.

Students who wish to take the following courses at Leland this year:

- **American Sign Language (San Jose City College)**
- **Differential Equations/Inter Calc (San Jose City College)**
- **Intro to Business/Business Law (West Valley)**

Students **MUST** register for these classes through the Junior College enrollment application process. This includes obtaining the application form and R-40 form from the Admissions Office or their website. The forms then need a Leland approval signature before they go back to the Junior College for processing. The JCs may require the students to take an assessment, so it is best to do this soon so there is time to schedule it.

**After the course is completed, students who want the grade and credits for this course on the student's high school transcript, must bring the JC report card or transcript in to the Leland Registrar, Karen Johnson, to have the credit and grade applied to the high school transcript. Contact Dorothy Kennedy, AP Instruction, if you have questions @ 535-6290 x299**

If you have already enrolled in one of these classes, look for signs posted around the office for start dates and room numbers.
