## Principal's Message

Happy New Year!! Welcome to the Spring Semester! We are all happy to be back to Leland and are looking forward to working with your students this second semester.

Leland's H1N1 vaccination program went very well. We vaccinated 656 students, all in one day! I want to thank all of our parent volunteers: Jengsen Hwang, Mary Shao, Linda Tran, Ann Brown, Lisa Calomeni, and Kevin Smith for giving us their time to help this program be so successful! Thank you!

Fall semester grades were uploaded from the district on Tuesday, Jan 5 at 3:00pm. These semester grades will be officially entered on your student's transcript under "2009 fall semester." Next month, students will be receiving information in their social studies classes about classes they may take next school year. We strongly recommend that your student talk with their teachers, parents, friends, counselor, and with an administrator regarding which class would be most appropriate for them next year. The course selection forms will be available later in February and students will select their classes in early March.

I am confident that this will be a fantastic Spring Semester!

## Message from Parent Club

*New Technology in Classrooms—keeping our kids competitive*

What if a student, who has been out of school due to illness, could view a science lab that took place when they were out? What if a teacher could, at the push of a button, display for a math class a detailed problem that was on the board during class last week? These technologies exist, and thanks to Parent Club members, the math classrooms will be receiving Interactive Whiteboards! Unfortunately, the Parent Club's membership goal is still short by \$20,000.00. Help us meet our goal of extending the technology beyond the math classrooms and **join the Parent Club**. We start our membership at \$25. For any family that donates \$180 (\$1 for every day of school) or more, you receive a Leland logo shopping bag and a logo water bottle. To make it easier, we now accept **PayPal**. For more information, go to the Parent Club website <http://lelandparentclub.com>

## Junior College Courses Taken on Leland Campus

In order to streamline and clarify the enrollment and credit process for our students, Leland and our partner junior colleges have started a new process for the 2009-2010 school year.

Students who wish to take the following courses at Leland this year:

- **American Sign Language (San Jose City College)**
- **Differential Equations/Inter Calc (San Jose City College)**
- **Intro to Business/Business Law (West Valley)**

Students **MUST** register for these classes through the Junior College enrollment application process. This includes obtaining the application form and R-40 form from the Admissions Office or their website. The forms then need a Leland approval signature before they go back to the Junior College for processing. The JCs may require the students to take an assessment, so it is best to do this soon so there is time to schedule it.

**After the course is completed, students who want the grade and credits for this course on the student's high school transcript, must bring the JC report card or transcript in to the Leland Registrar, Karen Johnson, to have the credit and grade applied to the high school transcript. Contact Dorothy Kennedy, AP Instruction, if you have questions @ 535-6290 x299**

If you have already enrolled in one of these classes, look for signs posted around the office for start dates and room numbers.
