

## 10) Pick up and drop off information in the parking lot

1) Does the student need a parking tag to park in the lot? Does the tag cost anything?

All students need a parking sticker to park in the student parking lot. Students can purchase a parking sticker in the school bank. Please pick up the parking form in the bank, fill out the information and return it to the bank. The permit costs \$25 and is good for one academic year. Please place the parking sticker on the windshield on the lower part of the driver's side.

2) Where should visiting parents park?

Visiting parents should be park on the green painted curb at the front of the school.

3) Are the parents allowed to pick up and drop off in the teacher's parking lot?

Parents are allowed to pick up and drop off students in the teacher's parking lot. Please follow traffic patterns and drive carefully when students are present. Please do NOT drop off students in front of the school on Camden Ave or on the back access road towards the sports fields. Please do not turn left on Camden during high traffic times when exiting the staff or student parking lots.
