

29) What is the homework center?

Peer tutoring?

Homework Center is held in G-4, Mondays through Thursdays from 2:45 to 3:45. It is a drop-in program where students can get extra help from peer tutors and adult tutors. Students can just go and do homework, and they can leave when they are done.

Peer tutoring is a program that connects a student tutor with a student who needs help in a subject. Student tutors train with Mrs. Bergantz, she interviews the student who needs help, and tries to find a good match. Students set up their meeting time. Mrs. Bergantz is located in Rm K-10, and a good time for students to meet with her is during lunchtime.
